Product Selection Guide

Access Covers	Loading class	>70 mm	>80 mm	Health and safety	Installation and durability	Network security	Infiltration	Odourgress	Protection of Barrier	Ventilation	Silent in use
Briton	F900	I									I
Briton	E600	I									I
Briton GripTop	E600		I								I
Silent Knight	E600										I
Opt-Emax	D400N		I								I
Opt-Emax GripTop	D400N										I
Pamrex	D400N										I
Ult-Emax	D400N		I								I
Ult-Emax GripTop	D400N										I
Inter-Ax D400-H TDS	D400H		I								I
Inter-Ax D400-H	D400H		I								I
Inter-Ax D400-N	D400N		I								I
Inter-Ax GripTop	D400N										I
Inter-Ax D400-N Sealed	D400N		I								I
Silent Knight	D400N										I
Pamrtight	D400N										I
Valliant	C250-40T		I								I
Trojan	C250		I								I
Valliant	B125		I								I
Trojan Seal Plate Compatible	B125		I								I
Rapide	B125		I								I
Ductile Light Duty	B125										I
Ductile Light Duty Recessed	B125										I
BirPave DI	B125										I

Key: I = Standard on product. O = Optional extra.

Channel Gratings	Loading Class	Security		Suitable for cross trafficking	Modular linear design
Translinea	E600	O		I	I
Translinea	D400	O		I	I
Autolinea	D400		I		I
Mecalinea	C250	O			I

Kerb Drainage	Loading class	Health and safety		Security	
Aquakerb	D400	I			I
Selecta 500 Urban Profile (T)	C250	I			I
Selecta 500 Rural Profile (A)	C250	I			I
Selecta 500 Maxi Urban Profile (T)	C250	I			I
Selecta 500 Maxi Rural Profile (A)	C250	I			I
Waterfall	C250	I			
Watergate Kerb	C250				

Surface Boxes	Grade	Health and safety			Installation and durability	Network security	Rapid access single piece cover
				Traditional lift-out			
Warrior	A			I	I	O	I
Double Triangular	A			I		O	
Solid Top	A			I			I
Hinged Pavement	B	I					I

Key: I = Standard on product. O = Optional extra.

Gully Grates	Loading class	Health and safety			Installation and durability	Network security		Absorption efficiency			Silent in use	Pedestrian friendly
				Traditional lift-out								
Birflo	F900			I								
Birflo	E600		I									
AquaVantage	D400	I										
Aqua-Mix	D400	I		I								
Rexus	D400	I		I								
Watershed	D400	I					O					
Watershed Meshed	D400	I										
Ax-S 400	D400	I										
AquaFall	D400	I										
Torrent	D400											
Waterway 2000	D400											
Waterway 1200	D400											
Watershed	C250	I										
Pedestrian	C250	I										
Watergate	C250	I										
Waterflow	C250	I										
Aquatio	B125	I										

Key: I = Standard on product. O = Optional extra.
